## **Get Protected and Respected**

Social Media is an extremely powerful internet phenomenon! The evolution of social networking has fastly moved from being just another technology, to an integral part of our everyday lives. With that being said, it is a fact that the cyber world we share in – is unfortunately, also integrated with dangerous individuals who network and socialize just like you and me!

Not to bash or hate on Facebook – but let’s be honest – more divorces, relationship strains, job loss and intellectual properties has been compromised, due to Facebook’s lack of privacy. While Facebook, does implement privacy control settings for individual profiles – it has yet to address the issue of cyber-bullying, targeted advertising, selling of your personal information, and leakage of intellectual property to SEO Search Engines. In other words, Facebook reserves the right to sell or share your content and information with whoever, and whenever they like! In essence – your content is not really yours – it belongs to Facebook!

To put things in proper perspective, you wouldn’t just hand out your phone number, address, personal information, and daily routine out to the first person you meet on the

**....DON’T LET THIS BE YOU!**

~Jim Rohn

opportunities – we should be smart about two things – one our protection, which I already briefly covered – and secondly planning for our financial future.

street – would you? Well, that’s exactly what you’re doing – when you become a member of a public social network, such as Facebook. We are careful to teach our kids not to befriend and converse with strangers. We are quick to tell them, “Don’t take candy from strangers!” Well, news flash – KEEPING YOUR KIDS AND YOURSELF **ONLINE** IS JUST AS IMPORTANT (if not more)!

While the internet and social media, offers a world of

Very few of us can retire with the same level or better lifestyle than we are currently experiencing! Even a lot of the ‘luckier’ ones amongst us – actually end up, “assets rich” – but “cash money poor”. Why? Because, most people don’t know how they’re going to

fund their retirement. Plus, they don’t set up a plan for residual income. When they stop working – they stop making money! Please, don’t allow this to be YOU!

You really can't expect your job(s), or Facebook to create wealth for you – CAN YOU? Anyone reading this report under the age of 32, probably, won't get 'old age' benefits. So you would be wise (regardless of age), to start building a solid residual income today – and make some horizontal money!

Most of us reading this report already use some form of Social Media EVERYDAY! In fact, social media has become woven into our everyday experience – whether you're on Facebook or not – I'm sure you've at least heard of it!

Let's face it, Social Media is not a fad! It is not going anywhere! It has literally become part of our 'culture'! Now, **YOU** can learn how to expand and enhance your social networking experience – and take it to the next level!

Thanks, to the visionary efforts of two ministers out of Tulsa, Oklahoma – now, **YOU** don't have to go through the rest of your life being unprotected, or disrespected – now you're at choice! And if this alone isn't enough to convince you, to go crazy, then the following **8** reasons should explain why many are going crazy and why **YOU** should too!

With that being said, let us get started on our learning!

**Have a crazy good day,**

*Dwayne B. Neal*

## Why **YOU** Should Go CrazyGood!

-1-

### Your Privacy Matters On Crazygood!

As a result of this rash of cyber infiltration – Crazygood has created a secure social network! It is completely AD FREE. Your pictures, posts, videos, nor any other content will never be sold. With Crazygood, you never have to worry about your property getting into the hands of the “wrong” people.

Because, Crazygood protects its community – it is light years ahead of any other social network. Not only does Crazygood secure your intellectual property it also bans adult content, and **any** individual or groups that pose as potential threats, cyber-bullying, and terrorization.

Those found in violation of this policy will have their account deleted, and lose all the benefits from being associated with the Crazygood community.

And while this is perhaps the main reason why you should join, there are at least 7 other powerful reasons why you should join the ‘Social Minded – Social Network’ otherwise known as Crazygood.

Let’s continue.....

-2-

### Get Paid To Socialize!

Crazygood rewards their members, for building this private community! Crazygood philosophy is ‘those who contribute the most – will benefit the most!’ This might sound crazy – but that was not a misprint! By helping to build a safe, private online community – YOU CAN ACTUALLY PUT SOME EXTRA CASH BACK INTO **YOUR** POCKETS!

Crazygood features two simple, yet powerfully lucrative Affiliate-based Social Networking programs. The programs are seamlessly integrated with one another, and all it takes to participate in this unique profit sharing opportunity is to by invest *only* **\$10.00** per month!

Most people will say, “I will never pay to use Facebook...why would I pay for Crazygood?” **WELL WAKE UP – YOU ALREADY ARE!!** How do you think other sites rack in millions each and every month? It is **your** time, energy, and content that drives them! Every time **YOU**:

- Log in
- Click on an Advertisement (you don’t even have to purchase anything – just click on them!)
- Play Mafia Wars, Farmville...etc.
- Upload plug-ins and Apps
- Invite your friends...and they turn around and do the same!

In fact those other sites aren’t really free; you’re paying with your privacy (and they are profiting big time)!

Furthermore, this report is intended for those who really wish to harness the power of Social Media to create for themselves (and others) a steady, passive, stream of residual income – and as the old saying goes: *‘It takes money – to make money!’*

Look at it this way – Crazygood is more than a Social Network, it is a once in a lifetime opportunity! That has the real potential to grow exponentially in the coming months!

To put things in proper perspective, \$10 per month is less than \$0.35 a day! Most of us will spend this at a blink of an eye! I mean, before you know it, you’ve purchased bottled water, a candy bar from the vending machine, a cup of coffee from Starbucks (something you probably spend anyway) – instead, you can invest in yourself, and be in a position to build your very own social networking empire!

Besides, with the Crazygood Affiliate programs, you will earn at least \$1.00 per friend, through many circles of influence. For example: 1000 Friends = \$1,000! So, if paying to “social network” is really a big concern of yours, then all you need is to get 10 people to join *your* Crazygood network. In other words, get 10 referrals (on any circle), and you are now at the “break-even” point – and your monthly subscription to Crazygood is essentially **FREE!**

Also, to put the icing on the cake – Crazygood gives ALL of its members the very real potential to create a legacy of wealth. Where else can you do this with \$10? Gone are the days of just getting rich over the internet – with the Crazygood Super Affiliate program you will have the ability to earn **UNLIMITED WEALTH!**

With that being said, the following pages, shows examples of the unlimited earning potential as a Crazygood member/affiliate.

So, please, read on.....

## CRAZYGOOD COMPENSATION!

# THE CRAZYGOOD AFFILIATE PROGRAM

Earnings: 10% per Circle  
Circles: Five (5)  
Method of Pay: Direct Deposit in your Bank Account [or] PayPal Account  
Minimum Payout: NONE

### Break-down Of The Crazygood Affiliate Program:

For the sake of example, let's say that you personally refer only 5 friends, to join you in Crazygood. Now, since you get paid \$1.00 per referral; that equals \$5.00 on your first circle. These 5 individuals, then refer 5 friends each; that's now 25 persons on circle two, equaling \$25.00. These 25 people follow suit, and also refer 5 people each. This is now 125 people and \$125.00 people on your 3<sup>rd</sup> circle. These 125 individuals catch fire...and then refer 5 each, for a total of 625 people on your 4<sup>th</sup> circle.

Now, here's where it gets really, really crazy...but really, really good! Please, read this very carefully! Once, you get **250** people through your first 5 circles of influence (in any combination) – you now qualify to earn an additional \$0.50, through **UNLIMITED** circles! This is known as our Super Affiliate Program. This is why you'll earn \$812.50, instead of \$625 (because you get paid \$1.50 for 375 of them).

As you can see from the example below, you really have a total of 625, people on your fourth level, however, like I've already mentioned, once you get 250 persons – you then, in essence create another family!

CIRCLE	FRIENDS	FRIENDS x PROFIT	CIRCLE TOTALS:
<b>1</b>	5	5 x \$1.00=	\$5.00
<b>2</b>	5	25 x \$1.00=	\$25.00
<b>3</b>	5	125 x \$1.00=	\$125.00
<b>4</b>	5	625 x \$1.00=	\$812.50
<b>5</b>	5	3125 x \$1.50=	\$4687.50

<b>6</b>	6 ("375 spillover")	<b>MONTHLY TOTAL =</b>	<b>\$5,655.00!</b>
----------	---------------------	------------------------	--------------------

**Invisible Infinite Circles: Super Affiliate Program**

# THE SUPER AFFILIATE PROGRAM

Earnings: 15% per Circle  
Circles: **UNLIMITED**  
Method of Pay: Direct Deposit in your Bank Account [or] PayPal Account  
Minimum Payout: As A Super Affiliate **YOU** will be earning at least \$251.50

CIRCLE	FRIENDS	FRIENDS x PROFIT	CIRCLE TOTALS:
<b>6</b>	6250	6250 x \$1.50=	\$9375.00
<b>7</b>	2	12500 x \$1.50=	\$18,750.00
<b>8</b>	2	25000 x \$1.50=	\$37,500.00
<b>9</b>	2	50000 x \$1.50=	\$75,000.00
<b>10</b>	2	100000 x \$1.50=	\$150,000.00
<b>MONTHLY TOTAL =</b>			<b>\$290,625.00!</b>

 **Invisible Infinite Circles: Super Affiliate Program**

## Break-down Of The Crazygood Super Affiliate Program:

Now, the 3125 people from your Affiliate Program, now “spills-over” into your Crazygood Super Affiliate family. Now, let’s assume that they refer only 2 people each, through INFINITY! That’s right...I said INFINITY! I only stopped at the 10<sup>th</sup> Circle Of Influence. But, again as a Crazygood Super Affiliate...you will be earning \$1.50 per referral...through an unlimited number of circles!!

In the above example, you can actually see how easy it is to create a sustainable, residual source of income with very little effort on your part. And to be honest, I was being a bit conservative.

I know what you’re thinking. And believe me – **THIS IS REAL!** The potential for creating a legacy of wealth, with Crazygood – is not only possible, but **can** and **will** be realized by **EVERY** member/affiliate!

If you think that is a bold statement, here’s something else to consider. Each, Circle Of Influence, can be as wide as you want! Also, think about this: On an average – people have **130** Facebook friends and **115** Twitter followers.

All you have to do, to transform your financial dreams into, a reality is to invite your Facebook friends and/or Twitter followers to join you on Crazygood – then ask them to do the same – it’s that simple!

**Can you imagine, if only 10% of your friends or followers joined with you on Crazygood – and invited others to join them? No, really, can you picture that?! You will be making money beyond your craziest, wildest dreams (pun intended)!!**

## LET UNCLE SAM PAY YOU!

Here’s something else – that may sound crazy – but it’s TRUE! As a Crazygood Affiliate, you instantly become a Home-based business owner! And are now entitled to receive over 130 Tax Advantages! For instance, did you know that as a Home-based business owner you can write off a portion of your rent and utility bills?!

You can even write off your cell phone bill! To find out what other benefits and entitlements that come with being a Home-based business owner click on the link below and download your bonus audio of: *Tax Advantages Of A Home Business*.

**[CLICK HERE TO DOWNLOAD](#)**

Here’s another perspective, for creating a legacy of wealth. Please, seriously consider this: because Crazygood is a “business” – it is willable to your children and your childrens’ children – through infinity!

Plus, here is something else to consider – with Crazygood - ‘kids’ can earn their own allowance! That’s right! Crazygood allows individuals **13** years of age and older to participate in the Affiliate programs. This is an excellent alternative to traditional summer jobs. Also, it’s a good way to groom your kids – to become pioneers in the **[New Social Dynamic!](#)**

We all desire our children, to have more than we did....plus, with Crazygoods’ *Charitable Initiative* your children can learn the value in sharing, and give in ways that we never thought was possible, that is up until now.....

-3-

What does that mean? Social-Minded people are those who value the integrity of a balanced society through the vehicle of sharing. Not only does Crazygood protect your privacy, and pay you to socialize, but you'll also have the privilege to give back to your communities!

The way this is done – is that Crazygood gives **up to** %10.5 [or] \$1.50 (per referral, depending on your level affiliate participation) – to the charity of **your** choice – each and every month! How crazy is that?! That's right – Crazygood believes in helping people and promoting community, so they give back to worthwhile causes – which **YOU** choose to support! So, if you are Social-Minded, and love to give back, then Crazygood is the perfect network for you!

When you pay your \$10 – you will then receive your very own unique referral link. You also have the option of including a charitable organization, in the process; be it your church, club, local YMCA, little league sports team, Alumni....etc. Or you can choose from among the more 'popular' list of growing organizations that are registered with the Internal Revenue Service as qualified 501 (c) 3 organizations.

Now, you are able to invite others to join Crazygood via your specialized referral link. When they join – **up to** \$1.50 goes directly to **YOU** – and another portion, in the form of donations, goes to the charity of **your** choice!

But, it gets even crazier! Your organization also gets placed in a pool – in which an additional percentage of Crazygood profits are divided among the participants in the charity pool!

And if you thought, that was crazy! Here is another incentive. Inside of the charity pool is the option, to have the Crazygood **community** vote for your charity. And whoever, gets the most votes gets the bigger portion of that pie!

**WHAT YOU'RE ABOUT TO READ IS REALLY, REALLY CRAZY! All churches, non-profits, charitable organizations, or 501 (c) 3s can join Crazygood absolutely – FREE! AND THAT MEANS FREE FOR LIFE! Now how crazy is that?! Using the power of Crazygood – can potentially give your charity hundreds, thousands – even millions of dollars each and every month!**

**FREE Advertisements & Promos!**

Although Crazygood, can be used as a stand-alone “business” – it will not compete with your current business, product, service, affiliate, or MLM (if you already have one). Crazygood is a great convenient setting, where Social Networking, Business, and collaborations unite in one community! With this unique feature, Crazygood can be used as an alternative means to produce awareness and exposure for you or any other venture that you may be involved with.

For example, some realtors pay thousands of dollars per month on advertising alone. But, with Crazygood all you pay is \$10.00 per month, and can reach thousands of people (soon to be millions) – with a click of a mouse!

As you build and grow your primary business – you can earn some extra cash on the side. Also, when you join Crazygood via a Team N.A.M.E.S. member – you will receive our exclusive Crazygood Affiliate Course. Inside of this course, we will show you how to promote, build, and grow **any** MLM, business, or Affiliation, by using powerful Crazygood tools of Attraction.

Not only will you get powerful marketing tools as a Team N.A.M.E.S. member, but within Crazygood are features and functionalities – that we will show you how to implement – to grow your primary endeavors (should you choose to).

Crazygood is such a cutting-edge social networking platform, that it is rewriting the rules on Magnetic Sponsoring and Attraction-Based Marketing! While Magnetic Sponsoring is an extremely powerful concept within itself – how would you like to have even more of an impact, and get more results than ever before?! With Crazygood you can finally capture and retain your audience, all from one social portal!

There are sooo many crazy ways, to utilize these features, tools, and applications, to promote and advertise yourself or business, that it is impossible for me to provide them all here in this report. However, I'll do my best to highlight some of the prominent applications and functionalities of the Crazygood network.

**-5-**

## **Cutting-Edge Features & Apps!**

**Broadcaster** – Crazygood has a video feature that is really out-of-this-world! It boasts a broadcaster; where you can host LIVE video broadcasts with up to 250 subscribers! Think of it as Blog Talk Radio and Skype combined. With the Crazygood Broadcaster – you have the ability to see, talk to people, and host meetings. This is an excellent tool of attraction for:

- ✓ Teachers

- ✓ ....or just about anyone, who wants to chat over a LIVE feed!

Imagine the power in connecting and interacting on a personal level with 250 of your closet friends! With this incredible feature, you can save on travel, hotel fees, and convention hassles. Some people pay as much \$200 per month – to have access to this amazing feature. Your cost a measly \$10.00! The ability to broadcast in **any** state or country – PRICELESS! How crazy is that?!

## Video Sharing

*Share your favorite videos with members by simply uploading or attaching in a status update.*

**One-on-One Video** – It goes without any further explanation that online videos are very powerful tools to capture, engage, and connect with your audience. Don't believe me just ask YouTube. But, Crazygood takes this feature to the next level, by providing LIVE one-on-one video chatting.

## Sub Accounts

*With families in mind, we decided to give each Primary Account 2 FREE SubAccounts' that have all the features and functionality that Crazygood provides to let the kiddos enjoy a social network as well.*

**Sub-Accounts:** Sub-accounts were developed with families in mind. Knowing that some parents often wrestle with 'if' or 'when', to let their kids social network. Crazygood has provided the benefits of their privacy protected, Ad-free network to households that desire to use this powerful service for their family. They have done so by, giving **each** 'Primary Account'; **2** 'Sub-Accounts' – these two additional sub-accounts have all the features and functionality as the 'primary account'; and comes **FREE** with no extra charge!

**NOTE:** Sub-Accounts are owned and managed by the 'Main Account' for the purposes of charity nominations and receipt of any referral commissions that might be earned – however, each sub-account does have its own unique login and password.

## Additional Crazygood Settings & Functions:

- **Blog** – Even if you’ve never written a blog, I’m pretty sure that you’ve heard of it! In simple terms, a blog is an interactive online diary or commentary – considered by most Magnetic Sponsors as the ‘hub’ of your business, product, or service.

If this is true (and I agree); then having a **Crazygood Blog** is the most powerful tool of attraction that you can ever have! What makes a Crazygood Blog sooo powerful is that the WHOLE Crazygood community gets to view **every** blog that you post! Can you imagine when the Crazygood community becomes as large as 1 million members?! Your blog(s) will instantly be available for all to see!! HOW POWERFUL IS THAT?!!

- **Groups:** As with any social networking platform, Crazygood provides a built in tool for creating a niche or exclusively. You have the option to create group(s), exclusive to your subscriber base or you can make your group Crazygood community wide.
- **Events & Polls:** With Crazygood, you can also share information about upcoming events and even create customized polls that will be populated throughout the Crazygood network!

Crazygood also has other tools, applications, and functions, some of them are:

- Audio Chatting
- The Ability to Block Users
- ‘People You May Know’ widget
- Ability to Like Comments
- ....plus, much, much more!

Furthermore, all Crazygood members have access to FREE training on how to use these tools, apps, and functions – does Facebook do that? Speaking of Facebook.....

-6-

The sixth thing that makes Crazygood sooo CRAZY, is its natural ability to cross any and all boundaries and niches. As with any other social network, Crazygoods’ product is PEOPLE! Crazygood is **not** MLM; it is Social Media. *Nothing* grows as fast or as wide as

social media! Facebook has already proven this fact. Can you name ONE MLM company the size of Facebook? ...Of course you can't!

And like Facebook, Crazygood basically markets itself. Because it is worldwide – there's no limit to how many referrals you can get! You don't need any prior Affiliate or Network Marketing experience. No special computer skills are required. Again, since Crazygood, is social media – just like Facebook – all you have to do is – use it, just like you would Facebook!

This is not rocket science! Because, of its crazy global mass appeal – many celebrities have joined Crazygood, including:

- Tom Joyner
- Monique
- Steve Harvey
- George Foreman
- Holly Robinson-Peete
- Bern Nadette Stanis (Thelma on *Good Times*)
- Soulja Boy
- ....plus, many others

-7-

Crazygood is totally legal, and ethical, and is a proud member of the Better Business Bureau! You can search high and low all over the internet – but you won't find anyone saying anything negative about Crazygood! In fact, Crazygood bans any and all groups that have affiliation with prejudice, racism, or sexism.

On pages 8 and 9, I gave a couple of examples regarding Crazygood Affiliate programs, while these scenarios – are not guaranteed – you are guaranteed to get paid! This money is yours to keep or to spend in any way that you want!

Neither, do you have to worry about being cheated or scammed – because Crazygood is **NOT** a pyramid scheme – but a legitimate affiliate program. Comparable to Avon, Mary Kay, Mona Vie, Tupperware, and Amway...etc.

Crazygood is completely transparent and open for all to see. If you would like to see a public review of Crazygoods' accreditation and status, by all means click on the link below:

**WE PROMISE** to protect all members of the Crazygood community from improper imagery and photography that contains nudity, gore, or hateful themes.

**A Real Ground Floor Opportunity!**

Even though Crazygood is growing wild and crazy – it is still in its infancy stage! Facebook, started in 2004 by a Harvard student by the name of Mark Zuckerberg; and at the time of this writing (December 2011) – has now grown into well over 700 million users worldwide – and is worth over – 15 BILLION Dollars! The phenomenal thing about this staggering fact is – Facebook, is still growing!!

Knowing what you know now, about the growth and success of Facebook, would you have hesitated to come aboard – if Mark Zuckerberg invited you to join him on a ground floor opportunity?!

Can, you actually imagine a 'Facebook' that pays its members just for inviting others?! Well, that's exactly what Crazygood does! Now, can you think ahead, to the year...let's say, 2014...when Crazygood has become a household name – like Twitter and Facebook! Even if Crazygood reaches only the level of success and popularity of 'less' common sites like Bebo, MySpace, or Friendster...will you [then] be enjoying a completely satisfying monthly income – or will you be kicking yourself, calling yourself 'crazy', saying, "I would've, could've, should've..."

The choice is yours! The seeds you plant today will be your harvest tomorrow. Today, you have the exact same opportunity that Mark had in 2004, what will you do with it? If privacy is important to you, and if you're looking for a financial breakthrough, then this very well may your answer!

**JOIN THE NEXT EVOLUTION OF SOCIAL NETWORKING** where members of the community can share in the company revenues that they help create. It's built on a foundation of giving, within a framework of privacy, and provides an equal opportunity for all.

Sound so **GOOD** that it seems **CRAZY?**

## Giving Light Opportunity Blessings And Love

To insure that 2012 will be your best financial ever – I have made it simple for you to promote this Crazygood opportunity. We do not recruit. We simply invite, so I provide additional invitational tools, including:

- Your own Crazygood Landing Page – complete with videos, and your Crazygood link. You don't have to do any explaining or coercing – simply invite them to your page, and let it do the talking!
- A copy of this report, complete with your name, Crazygood link, and email...simply load it to your blog or website, [or] download it, print it, and pass it out!

...plus much, much more!
